

IN 2022
**the BGR
Foundation**
WAS PROUD TO
SUPPORT

several charitable organizations that offer assistance to veterans, communities in need, and advance critical medical research including....

In addition, BGR team members have donated resources and time to the Arlington Food Assistance Center which provides dignified access to groceries to people in need in Northern Virginia and the Jessie Rees Foundation which supports children and families fighting cancer.

Through service and support, BGR Group is working to improve our community and provide assistance to these vital organizations and the people they serve.
